Commission on the Status of Women Community Agreements

Focus on our common goal which is to help eliminate discrimination and prejudice against women of all ages.

Make decisions with integrity and ethics in mind while respecting everyone.

Value relationships. Work to build trust and community with an awareness of power dynamics both inside and outside the Commission.

Seek clarity and ask for clarity. Clarity is important for communicating with each other and our stakeholders, including the Board of Supervisors and the communities we serve.

Express your opinions. Have courageous conversations during meetings, when possible, rather than later.

Be brave when talking about inequities and recognize power, privilege, and intersectionality. Work to be explicit with your language about race, class/income, sex, gender, sexuality, age, ability, religion, nationality, citizenship status, and all forms of discrimination and oppression.

Notice power dynamics. Be aware of how you show up and take space. Share airtime and engage with each other.

Follow through if you commit to an action item. Ask for help and offer help.

Be responsive. Respond to communications, including emails, as quickly as reasonably possible. Provide deadlines and follow up when you don't receive responses.

Communicate your involvement and set boundaries. If you decide not to participate in all activities or decisions, communicate this via the appropriate channels to help manage expectations and allow for continued movement. Take time for self-care.

Assume positive intent and acknowledge harm. Give each other the benefit of the doubt. Take accountability when harm occurs.
