

KNOW YOUR RIGHTS

All people in the United States, regardless of immigration status, have certain rights and protections under the U.S. Constitution.

CARRY A KNOW-YOUR-RIGHTS CARD AND SHOW IT IF AN IMMIGRATION OFFICER STOPS YOU.

On one side, the Red Card reminds the cardholder (available in nineteen languages) what their rights are when confronted by ICE officials.

The other side (in English), states things the cardholder may wish to communicate to ICE such as "I do not wish to speak to you. I want to talk to an attorney first. I am asserting my constitutional rights..." The cardholder can give this to the agent to read, or can use this side as a script for what to say. **People should never open their doors to give this card to ICE.**

- If you are outside of your home, ask the agent if you are free to leave and if they say yes, leave calmly.
- GIVE THIS CARD TO THE AGENT. If you are inside of your home, show the card through the window or slide it under the door.

I do not wish to speak with you, answer your questions, or sign or hand you any documents based on my 5th Amendment rights under the United States Constitution.

I do not give you permission to enter my home based on my 4th Amendment rights under the United States Constitution unless you have a warrant to enter, signed by a judge or magistrate with my name on it that you slide under the door.

I do not give you permission to search any of my belongings based on my 4th Amendment rights.
I choose to exercise my constitutional rights.
